

Dear Wakasagi-Hidden & Users,

As a valued friend of Vexilar, Wakasagi-Hidden is always looking for ways to give their friends the added advantages of technology when fishing. Using Vexilar's custom built IceDucer transducers and high performance electric drills is a perfect example. Your commitment to quality and superior performance is the hallmark of Vexilar and we are proud to have you as a friend.

Sincerely,

Tom Zenanko

Host of Vexilar's Ice Fishing Today television series
